DECLARATION

I, Yu WANG, whose residence is set forth below next to my name, do hereby
declare as follows:

1. That I made and conceived the invention described in the U.S. patent
application identified above.
2. That I made and conceived this invention while employed by GENERAL
ELECTRIC COMPANY, a corporation of New York, and to whom I have assigned
all right, title and interest by virtue of a previously-filed Assignment document; that
the invention is related to the work I am employed to perform and was made within
the scope of my duties; that the invention was made during working hours and with
the use of facilities, equipment, materials, funds, information and services of my
employer, GENERAL ELECTRIC COMPANY.

WANG
Serial No. (to be assigned)

3. That to the best of my knowledge and belief the invention was not made (conceived or first actually reduced to practice) under terms of any contract, subcontract or arrangement entered into with or for the benefit of the National Aeronautics and Space Administration.

4. I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
